

AUSTRALIAN CADETS ON ROUND-THE-WORLD TRIP VISIT CITY HALL

See Acting Mayor and Then
Serenade Him as Band and
Pose for Movies.

Thirty-five graduates of the high schools and colleges of Australia, who are here on a scholarship trip as the guests of the Young Australian League, were received at the City Hall today by Acting Mayor McAneny, after which they posed for the movies.

The students, whose ages range from thirteen to twenty-two years, wore uniforms of dark blue with white caps. They were organized into a band and serenaded the Acting Mayor after their reception.

The visitors explained that they received their education under a system established in Australia a few years ago, which provides for military drills in schools. After leaving school the young men continue training. By this system of Boy Scouting Australia hopes within a very short time to have a force of 600,000 well trained men. The young Australians are hopeful while here of demonstrating the value of the Boy Scout movement. If the system now in operation in the Antipodes is adopted in this country the scholarship cadets explained while at the City Hall, in less than ten years the United States would have several million well trained men ready to spring to arms within twelve hours' notice.

In welcoming the Australians, Mr. McAneny said:

"I am very glad indeed to see you here in the City Hall of New York. I have been told of your travels and of the mission upon which you are bent. You have come to-day from Canada, and no doubt that is your first view of our part of America. I think you will find it interesting. I also think you will find it pleasant in many ways. Whether you go I am sure we shall wish you well. Your mission is a mission of humanity, in which every heart must naturally be with you; and the fact that you are carrying your word literally around the world makes your journey a memorable one."

While in this country the cadets will give band concerts, the proceeds of which will be donated to a Red Cross fund.

ROUND OF GAYETIES PLANNED IN HER WILL

After Visiting Crematory Pleasure
Club Is Told to Make Merry
Up to \$2,500.

Fifteen women living in Jersey City and Hoboken to-day are looking forward to a round of gayeties planned for them in the will of Mrs. Augusta Pape, widow of a patent medicine man.

Mrs. Pape died Nov. 28. Her funeral took place last Tuesday. Afterward her lawyer, George W. Burrows, opened her will and found that it set aside about \$2,500 to be spent in social gayeties by members of the Hoboken Pleasure Club, to which she belonged.

One of the first provisions of the will was that her remains be cremated and mingled with the ashes of her husband who died several years ago. This was done yesterday and, in accordance with the will, the members of the Hoboken Pleasure Club were present at the crematory. Afterward they went to the home of Mrs. Anna L. C. Streckfus, No. 23 Delaware Avenue, Jersey City, where a party took place in fulfillment of a wish expressed by Mrs. Pape in her will.

On Dec. 22 the fifteen women will spend part of the fund set aside for pleasure by attending a theatre in New York and then having a dinner party.

"I do not think it will be necessary for me to take the full treatment of your wonderful remedy, for after taking it a few doses I was cured."

"I have not had one attack since I took your remedy, and I thank you and I thank God that I have had such a relief, for I suffered for twenty-four years, with but little help from doctors. Your remedy is the only thing that ever helped me."

NURSE ANNOYED DOCTOR.

She Is Brought to Court and Held
for Examination.

A threat to kill Dr. Charles H. Jaeger, another to kill herself on the doorstep of his home, No. 139 West Eighty-sixth Street, and for ringing his doorbell almost continuously for four hours that morning caused the arraignment of Barbara Klemmer, a nurse, of No. 128 West One Hundred and Twenty-second Street, in the West Side Police Court to-day. She had been in Dr. Jaeger's employ until eighteen months ago, when she had an operation for mastoiditis, and Dr. Jaeger's attorney, Saul Myers of No. 40 Wall Street, told Magistrate Simms that the trouble had affected her. She was held in \$500 bail until Thursday for examination. In court the doctor's wife appeared as complainant.

PIMPLES ITCHED AND BURNED

On Head and Arms. Skin So In-
flamed Could Not Comb Hair.
Could Hardly Sleep.

HEALED BY CUTICURA SOAP AND OINTMENT

"The first trouble I had started like little pimples on my head and arms. They were big and red, and they itched and burned, and also irritated, causing me to scratch. The skin of my head was so inflamed that I could not comb my hair. I could not sleep. The trouble lasted three weeks. I had two treatments without helping me a bit. A friend told me to use Cuticura Soap and Ointment. I used them three times daily and at the end of three weeks I was entirely healed." Macy's Hotel Delivery Service

Macy's long ago appreciated the need of New York's transient guests for more than usually expeditious and efficient delivery service, and instituted a system especially for the purpose of delivering hotel purchases.

Approximately every hour and a half a Macy Delivery Wagon now calls at all hotels east of Fifth Avenue from 14th Street to 59th, and west of Fifth Avenue from 23d Street to 72d.

Purchases at Macy's will be delivered at hotels within the above mentioned district as promptly as human ingenuity can devise or particular patrons can want. Even if a parcel were bought as late as six o'clock at night—closing time—it would still be delivered to you the same evening by a special "overtime shift" of delivery men.

This most necessary and accommodating service is only one reason why you should make your purchases at Macy's.

Macy's merchandise is new, fresh and inviting. Qualities are always dependable—excellent and prices "Lowest-in-the-City."
